intercellular bridge, GO:0045171

cellular response to hormone stimulus, GO:0032870

positive regulation of peptidyl-tyrosine phosphorylation, GO:0050731

Golgi to endosome transport, GO:0006895

eukaryotic translation initiation factor 3 complex, eIF3m, GO:0071541

proteasome complex, GO:0000502

protease binding, GO:0002020
