Under-representation

3

cilium movement, GO:0003341

heparan sulfate proteoglycan binding, GO:0043395

sodium ion transport, GO:0006814

negative regulation of interleukin-10 production, GO:0032693

selenium binding, GO:0008430

homophilic cell adhesion via plasma membrane adhesion molecules, GO:0033069

organic cation transport, GO:0015695
